

Position Description: Interior Designer

Location: Fort Wayne, Indiana

Full-time position

At Design Collaborative, our mission is to improve people's worlds — in everything we do. That includes not only our clients, but our employees. We want our employees to push boundaries, be creative thinkers, and challenge assumptions to better meet the needs of our clients and grow our portfolio. We believe our work makes a difference in our clients' lives, and we pride ourselves in our ability to collaborate and involve them in the process of design.

Key Responsibilities

- Participation in project design at various stages from Concept to Design Development, Construction Documentation and Construction Administration, working under the guidance of a project team.
- Tasks may include, but are not limited to:
 - Verbal presentations and communication of ideas to clients, contractors, and colleagues
 - Drafting, and utilizing BIM software
 - Working with the project team to develop ideas, solutions, and interior details
 - Ability to space plan, draft and develop construction documents pertaining to interior architecture and design
 - Ability to develop and document commercial furniture specifications
 - Create interior finish schemes and work with design team to develop interior architecture
 - Presentation graphics preparation
 - Work with project team to develop interior renderings
- Key participant in client and project team meetings
- Comply with company policies

Qualifications

- Bachelor's degree from a CIDA Accredited Interior Design program
- NCIDQ certification a plus
- Familiarity with BIM modeling
- Autodesk Revit, AutoCAD, and Adobe Creative Suite experience
- Ability to meet deadlines and prioritize multiple projects
- Communicate clearly and effectively

Other Skills Preferred

- Exercises sound time management, organizational skills
- Demonstrates strong written and verbal communication
- Ensures an attention to detail when handling projects
- Ability to prioritize time and multitask
